back together again

It's been a while...

- It's really good to be back in person
- After three years, we're a bit rusty
 - So is the network ;)
- If stuff breaks more than in previous years, sorry

Health & Safety

- FOSDEM flu is real
 - Personally speaking, I have been ill after 50%+ of my FOSDEMs
- Wearing masks is optional, but recommended
- We have free masks at the infodesk

If you feel sick, go to your hotel/home, and stay there.

Network

- Things might be a bit bumpy
- FOSDEM
 - IPv6-only - first non-network large-scale conference network to be so
 - NAT64 & DNS64
 - Fix yo bugs!
- FOSDEM-Dualstack
 - IPv4 & IPv6

These are open networks – Encrypt your traffic
