And we take it seriously

Prometheus team has orange names on their badges

The background features a light blue gradient with several concentric circles and dotted lines. A solid blue circle is centered on the page. Surrounding it are dotted circles of varying radii. In the corners, there are small clusters of dots: blue squares in the top-left, orange dots in the top-right, red dots in the bottom-left, and a blue semi-circle in the bottom-right.

Photo time!
