

PrometheusDay EU 2022 - Closing

Richard “RichiH” Hartmann

This was great!

The background features a light blue gradient with several concentric circles and dotted lines. There are also some small, scattered dots in blue, orange, and red.

Thank you!

Miss you all at #KubeConEU 💔

PrometheusDay NA, Detroit, October

PromCon EU, Munich, November

18:00 - CNCF Hosted Co-Located Events Happy Hour

The background features a light blue gradient with several concentric circles and dotted lines. A solid blue circle is centered on the page, with a dotted line just outside it. There are also larger, fainter dotted circles. Small clusters of dots in blue, orange, and red are scattered in the corners. A horizontal line is near the bottom.

Be excellent to each other
